

Photometric data:

OLD-OT2

ORION INTERNATIONAL Performance parameter	
LED Light Source: Cree, Lumileds, Osram, Epistar	Effects: single color, full color, gradient, chasing, flowing
Color Temperature: Single color, RGB, RGBW, RGBA, RGB+W	Protection Grade: IP65
LED CRI: ≥ 80 R9>0	Electrical Safety Grade: Class I / III
Lifespan: ≥ 50000h	Voltage: AC220V 50/60Hz DC24V
Beam Angle: 3~110° (Optional)	Current: constant current drive
Rotation Angle: 220°	Working Temperature: -35°C ~ +45°C
Control Mode: ON/OFF、DMX512	Mounting Bracket: customizable

ORION INTERNATIONAL Optional accessories

ORION INTERNATIONAL Features

- It's suitable for buildings, bridges, statues, parks, squares, etc.
- Thick, fashionable and compact appearance; ADC 12 die cast aluminum lamp body of high density material; Anti-UV and anti-corrosion outdoor spraying treatment
- Whole structure waterproofing design technology
- 4mm safety toughened glass with high transmittance
